SHORTHORNS

Introduction

While this will not be a large sale, we have tried to make up in quality what we lack in numbers. Buyers will find some really good, well bred animals in this year's sale and probably they will sell below their value in such a small sale. Your officers and directors worked hard to gather a larger offering but the plain fact seems to be that we have no surplus in our registered Shorthorn herds in South Dakota and it is impossible to coax a breeder to sell cattle he wants to keep, females especially.

The vast country around Mitchell should be good Shorthorn territory, once it is developed, so we decided to keep this Dakota Shorthorn Club Sale a going concern and expand it in the future when more cattle were available. This shows plainly that there is an opening for many more herds in our state and that this is a good time to start new herds. All breeders in South Dakota and adjoining states will be welcome as members of the Dakota Shorthorn Club.

OFFICERS OF THE DAKOTA SHORTHORN CLUB

President, C. R. Fliginger	Hurley, South Dakota
Vice Pres., Wallace Deckert	Marion, South Dakota
Director, Ray Englehorn	Menno, South Dakota
Director, Paul Schrag	Marion, South Dakota
Director, Stuart Curl	Springfield, South Dakota
Secy. and Sale Mgr., F. E. Jackson . .	Hurley, South Dakota

LOCATION

As heretofore, the sale will be held at the 4-H Club Pavilion at Mitchell, South Dakota, beginning promptly at one o'clock. Present plans are to have the sale cattle judged in the forenoon by 9:30 A. M. and the sale order arranged accordingly. Edwin Thiede of Burton, Nebraska, will serve as our judge this year.

Terms and Conditions

TERMS - Cash unless other arrangements are made in advance with the consignor from whom the animal is purchased. Settlement to be made with the Clerk at the conclusion of the sale. Cattle will be at the buyer's risk as soon as bid off but they will be cared for and loaded in compliance with instructions of buyers.

REGISTRY CERTIFICATES - A certificate of registration with transfer to buyer will be furnished with each lot sold and an application for registry for each calf at foot or for each calf sold in dam.

GUARANTEE - Our sale cattle have all been tested both for Tuberculosis and Bangs within thirty days of our sale date and have health charts acceptable in any of the surrounding states as well as the Livestock Sanitary Board of our own state. Bulls are guaranteed breeders if properly cared for and not permitted to run with the herd before twenty months of age. Should a bull fail to breed, he may be returned to the seller in as good condition as when bought and if after three months trial he fails to breed, the seller shall return the purchase price. All cows with calves at foot are proven breeders and no further guarantee is given. All other cows and those heifers over 15 months of age at time of sale are guaranteed to be breeders. Animals returned to seller for trial because they do not comply with this guarantee, the buyer should bear the cost of transportation.

The above guarantee and terms shall constitute a contract between the buyer and consignor of each lot. The Dakota Shorthorn Club is not responsible should any accidents occur but every effort will be made for the safety and comfort of our guests and patrons.

AUCTIONEER - Col. J. E. Halsey, Des Moines, Iowa, assisted in the ring by Albert J. Hamann, of the Shorthorn World.
